

# I-SHOU UNIVERSITY

## Department of Health Management

### 4-Year Curriculum for Students Admitted in Academic Year 2020

\* Credits required for graduation from the Department: 128, including:

1. GE core courses: required, 16 credits
2. GE liberal arts education: elective, 10 credits
3. Service and Knowledge for Practice: required, 2 credits Service Education: required, 0 credits
4. Physical Education: required, 0 credits
5. College-required courses: 4 credits (including 1 college-level cornerstone courses)
6. Department-required courses: 68 credits, including academic + practical courses: 66 credits, capstone courses(off-campus internships): 2 credits
7. Departmental electives: 13 credits: academic, practical and other elective courses.
8. Other electives: 15 credits: courses in any departments.

Notes:

1. Students are required to meet the requirements set by the Department for “English Proficiency,” “Information Competency,” and “Professional Certification,” in addition to earning the required number of credits to be eligible for graduation.
2. Before graduation, students are required to take at least one required cornerstone course offered by another college. The credits earned from such courses may be recognized as part of the credits under the category of Liberal Arts Education, but only a maximum of four credits will be recognized accordingly. (For more details about required cornerstone course offered by different colleges, please refer to the announcement on the website of the Curriculum Section.)
